#### **3. PURPOSE**

The NBAA hosts the CBC in an effort to expose the sport of bass angling to the corporate community in Namibia. Various corporates are invited to attend the event at which the NBAA shows the corporates exactly what the NBAA does. The participants are taken out onto boats with Namibian team members as guides for the day. The idea is for the Namibian team members to get each participant to catch a bass for the day. The day is run in competition format and there are great prizes to be won.

The event is also an extremely important fund raising event for the NBAA.

The teams were introduced to their respective skippers for the following day's angling. After the dinner the teams mingled and enjoyed good company.

The next morning was an early start with all the skippers (coaches) collecting their boat packs and drinks for the day. The boats were quickly launched and the captain's meeting was held explaining the rules for the day.

The fishing once again proved to be tough with not one single Bass caught on the day.

The NBAA would again like to thank Old Mutual for their continued support.
